

NEWEST FRANCHISEE JOINS HONEST-1 AUTO CARE®

Honest-1 Auto Care would like to officially welcome our newest franchisees, **Robert & Kris Silvester**. On behalf of the company, we would like to wish you our congratulations and support on your path to success!

Robert (Bob) & Kris Silvester will be opening their franchise in Provo, Utah in December 01, 2008. They are moving from California with their 5 boys to the Provo area. Bob has been in the customer service industry most of his professional career and Kris has managed professional offices as well. Both have been in franchising before in the travel industry as they owned their own travel agency for many years. Their son Trevor has recently attended UTI and in the recent months attended the Mercedes Benz training school in California. Trevor will be assisting them in the H-1, 7 bay 5200 square foot center in Provo. The Provo location will mark the 20th Honest-1 center in the United States and the 3rd Utah center.

Committed to actively recruiting the highest qualified individuals to manage franchise locations, Honest-1 Auto Care is strategically opening locations around the nation, bringing honest, eco-friendly automotive repair and maintenance to the communities in which we serve.

Please join us in welcoming Bob and Kris Silvester to the Honest-1 family!
