## Roseville auto agency partners with Second Chance Animal Rescue

On Dec. 1, Jim Henkel of Honest-1 Auto Care presented Nancy Minion of Second Chance Animal Rescue a \$700 check for her organization's mission of "Saving the Animals".

"I'm always eager to work with the different organizations and am delighted to be able to extend the help to their efforts that we can," Jim says. "We do these partner weeks with civic focused groups, churches, schools, scouting, etc., .. it's a great way of helping and connecting to the community."

**Second Chance** is a nonprofit, all volunteer dog and cat rescue and adoption organization and can be reached at 771-5662. **Honest-1 Auto Care** is a full service vehicle maintenance and repair facility on Lexington Avenue & C.R. D and can be reached at 482-0035.
